DYNAMIC & VIBRANT

This re-development totalling 57,000 sq.ft. located on the corner of 120 Street and 107 Avenue and just blocks from the bustling 124 Street shopping district and Brewery District, provides unique architecture and atmosphere. Bringing a touch of European grace to the area, this creatively designed building with distinct features will be home for up to 19 locally owned shops and businesses. An outdoor fountain, a 20 ft promenade for casual strolling while enjoying free Wi-Fi, a hidden indoor alleyway with artistic features that will let visitors feel like they are walking the streets of Europe, in addition to plenty of parking on a private lot, make Manchester Square an extremely attractive destination for your customers. Each unit will have an interconnected floor space providing flexibility and options for various uses.
